Paradox Rules	Improvised Spell Pull: 4 + Arcanum	
Step 1: Spend 1+M to add 1+ to the card drawn next. Draw a card. On a 1 or a card less than 4, Paradox occurs. Go to Step 2.	Level	Practices
Step 2: Amount of Paradox: Draw a card and divide by 2; min 1, max 4. If you are using a rote, draw twice and take the lesser draw.	1	Knowing, Compelling, Unveiling
Step 3: Apply Modifiers to the Paradox Strength: -1 if a magical tool is used, +1 per previous vulgar casting in the scene/day, +2 if Sleepers are present.	2	Ruling, Veiling, Shielding
Backlash: Each point taken = 1 Resistant Lethal.	3	Weaving, Fraying, Perfecting
	4	Patterning, Unraveling
	5	Making, Unmaking
	1M for each non Mind or Space spell
